Improvements to Highway 5 (Stagecoach Road) Require Lane Closures in Little Rock

LITTLE ROCK (4-19) – Improvements on Highway 5 (Stagecoach Road) will require lane closures next week in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be leveling the driving surface on Highway 5 (Stagecoach Road) between Highway 338 (Baseline Road) and Crystal Valley Road. Repairs will also be performed on Highway 5 just north of Otter Creek Parkway.

The alternating lane closures will affect both northbound and southbound traffic. The areas affected are two lanes in each direction, so at least one lane of traffic will be open at all times.

The lane closures will be Monday, April 22nd and Tuesday, April 23rd between 9:00 a.m. and 3:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
