ROUTINE MAINTENANCE REQUIRES LANE CLOSURES ON HIGHWAY 183 (S. REYNOLDS ROAD) IN SALINE COUNTY

LITTLE ROCK (4-26) – Routine maintenance will require lane closures on Highway 183 (S. Reynolds Road) next week in Saline County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be taking core samples of Highway 183 near the railroad overpass just north of Tom Road in Bauxite. The alternating lane closures will affect both northbound and southbound lanes. Traffic will be controlled using warning signs and flaggers.

The lane closures will be Wednesday, May 1st and Thursday, May 2nd between 9:00 a.m. and 3:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
