IMPROVEMENTS TO INTERSTATE 630 REQUIRE LANE CLOSURE IN LITTLE ROCK

LITTLE ROCK (4-29) – Pavement repairs on Interstate 630 will require a temporary lane closure in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will require the eastbound outside lane to be closed just before the Interstate 30 westbound exit.

The lane closure will be Wednesday, May 1st between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using warning signs and barrels.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
