BRIDGE REPAIRS ON INTERSTATE 430 REQUIRE LANE CLOSURE ON ARKANSAS RIVER BRIDGE

LITTLE ROCK (4-30) – Bridge repairs on Interstate 430 will require a temporary lane closure on the Arkansas River Bridge, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be repairing river navigational lights. The work will require the southbound outside lane to be closed on the bridge. Northbound traffic will not be affected.

The lane closure will be Thursday, May 2nd between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using warning signs and barrels.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
