## **OVERNIGHT CONSTRUCTION REQUIRES A NEW DETOUR AT INTERSTATE 430/630 INTERCHANGE IN LITTLE ROCK**

**LITTLE ROCK (5-3)** – Overnight construction will require a new detour and lane closure at the Interstate 430/630 (Big Rock) Interchange, according to Arkansas State Highway and Transportation Department (AHTD) officials.

All southbound drivers on Interstate 430 wanting to go west on Financial Centre Parkway or east on Interstate 630 will be detoured to the Shackleford Road overpass (Exit 5). Drivers wanting to access Financial Centre Parkway will turn right on Shackleford Road. They can then turn left on Hermitage or left on Financial Centre Parkway. Motorists wanting to access Interstate 630 will turn left after exiting, cross the Shackleford Road overpass and enter Interstate 430 northbound to access Interstate 630. In addition, the outside southbound lane of Interstate 430 will be closed through the Big Rock interchange. **For more information, see the attached map of the detour area.**

The detour and lane closure will be necessary as crews paint steel girders above the affected travel lanes. **The detour and lane closure will be Sunday night, May 5<sup>th</sup> through Friday morning, May 10<sup>th</sup> between 9:00 p.m. and 5:00 a.m. each night, weather permitting.**

This is the 2<sup>nd</sup> part of month long construction plans that will affect traffic flow. “We urge motorists to plan ahead and use caution, especially if you are driving Interstate 630 westbound or Interstate 430 southbound during the weekday overnight hours,” says AHTD Director Scott Bennett. There will be additional detours and lane closures throughout the month of May. AHTD will provide updates as work schedules are finalized.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at [ArkansasHighways.com](http://ArkansasHighways.com). You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
