IMPROVEMENTS TO HIGHWAY 167 WILL REQUIRE LANE CLOSURES IN GRANT COUNTY

LITTLE ROCK (5-10) – Improvements on Highway 167 will require lane closures next week in Grant County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be leveling the driving surface on Highway 167 about 4 miles north of Sheridan. This will require the northbound and southbound outside lanes to be closed. The northbound and southbound inside lanes will remain open. The area affected will be from just north of Circle Court Road to just north of Robertson Road.

The lane closures will be Monday, May 13th between 9:00 a.m. and 3:00 p.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
