IMPROVEMENTS TO HIGHWAY 270 REQUIRE LANE CLOSURES IN JEFFERSON COUNTY

LITTLE ROCK (5-17) – Improvements to Highway 270 will require alternating lane closures in Jefferson County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will make pavement repairs and resurface the lanes and shoulders of Highway 270. The work will begin at the intersection of Highway 270 and Interstate 530 in White Hall. It will progress west to near Sandy Acres Drive.

The alternating lane closures will be Tuesday, May 21st through Monday, June 3 between 8:00 a.m. and 3:00 p.m. weekdays, weather permitting. Traffic will be controlled by warning signs and flaggers. Drivers should expect short delays and consider an alternate route.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
