OVERNIGHT CONSTRUCTION REQUIRES DETOUR AT INTERSTATE 430/630 INTERCHANGE IN LITTLE ROCK

LITTLE ROCK (5-28) – Overnight construction will require a detour starting again tonight at the Interstate 430/630 (Big Rock) Interchange, according to Arkansas State Highway and Transportation Department (AHTD) officials.

All westbound drivers on Interstate 630 wanting to go south on Interstate 430 will exit using the northwest cloverleaf loop. However, rather than entering I-430 south at that point, drivers will be detoured to the Shackleford/Hermitage Road intersection. Motorists will then be directed southbound on Shackleford Road to Interstate 430 South. **For more information, see the attached map of the detour area.**

The detour and lane closure will be necessary as crews paint steel girders above the affected travel lanes. The detour and lane closure will be Tuesday night, May 28th through Friday morning, May 31st. Weather permitting, all scheduled closures will be between 9:00 p.m. and 5:00 a.m.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).

Big Changes at Big Rock

WORK ACTIVITY PLAN

DETOUR FOR MAY 28-31
OVERNIGHT: 9 P.M. TO 5 A.M. – WEATHER PERMITTING

Interstate 630 to Southbound Interstate 430

All westbound drivers on Interstate 630 wanting to go south on Interstate 430 will exit using the northwest cloverleaf loop. However, rather than entering I-430 south at that point, drivers will be detoured to the Shackelford/Hermitage Road intersection. Motorists will then be directed southbound on Shackelford Road to Interstate 430 South.

- Green Route = Detour Route
- Red Route = Closed to Traffic
