## **CONSTRUCTION REQUIRES OVERNIGHT DETOURS AND LANE CLOSURES AT “BIG ROCK” INTERCHANGE IN LITTLE ROCK**

**LITTLE ROCK (6-7)** – Construction will require overnight detours and lane closures at the Interstate 430/630 (Big Rock) Interchange, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Workers will be painting two bridges. This will prevent access to the northeast and southeast loop ramps. Drivers traveling northbound on Interstate 430 wishing to travel west on Financial Centre Parkway or Chenal Parkway will need to take the Shackleford Road Exit, which is Exit 5.

Any drivers in the Financial Centre Parkway/Shackleford Road area wanting to go north on Interstate 430 will be detoured. Motorists will be directed south on Shackleford Road to Interstate 430 North, using Exit 5. **For more information, see the attached map of the detour area.**

The detours will be Sunday night, June 9th through Friday morning June 14<sup>th</sup> between 9:00 p.m. and 5:00 a.m., weather permitting. Again, the detours will only occur overnight.

In addition, crews will be re-striping Interstate 630 between Shackleford Road and just east of the Interstate 430 overpass. The work will require two eastbound lanes to be closed Sunday, June 9<sup>th</sup> at 5:30 a.m. until Monday, June 10<sup>th</sup> at 5:00 a.m., weather permitting. The restriping will result in a traffic shift to the north for eastbound traffic on I-630. The shift is expected to last through most of the summer and will include all 3 lanes.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at [ArkansasHighways.com](http://ArkansasHighways.com). You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
