REPAIRS TO INTERSTATE 40 REQUIRE LANE CLOSURE IN NORTH LITTLE ROCK

LITTLE ROCK (6-14) – Pavement repairs will require a lane closure on Interstate 40 in North Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will be performed on Interstate 40 at the Young Road Overpass, which is just east of the Crystal Hill overpass at mile marker 149.

On March 7th, the overpass was hit by a tractor trailer causing extensive damage to the bridge and the shoulder of the Interstate. The bridge and guard rails have been repaired. Work will now focus on the shoulder of the Interstate.

It will require the westbound outside lane to be closed Monday, June 17th through Thursday, June 20th between 9:00 a.m. and 3:00 p.m., weather permitting.

Traffic will be controlled using warning signs and barrels. Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
