IMPROVEMENTS TO HIGHWAYS 11B & 114 REQUIRE LANE CLOSURES IN STAR CITY

LITTLE ROCK (6-14) – Improvements to Highways 11B and 114 (East Arkansas Avenue) will require lane closures next week in Star City, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be repairing and resurfacing 1 mile of Highways 11B and 114 (East Arkansas Avenue), extending west from Highway 425 (Lincoln Avenue).

The alternating lane closures will be Monday, June 17th through Wednesday, June 19th between 8:00 a.m. and 4:00 p.m., weather permitting.

Traffic will be controlled using warning signs, cones and flaggers. Motorists are urged to find an alternate route during the project. Drivers should also exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
