IMPROVEMENTS TO HIGHWAY 67 REQUIRE LANE CLOSURES IN JACKSONVILLE

LITTLE ROCK (6-18) – Improvements to U.S. Highway 67 will require lane closures this week in Jacksonville, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be repairing potholes that have formed in the northbound lanes of U.S. Highway 67, between the Main Street overpass and James Street.

The work will require closing the northbound inside lane on Wednesday, June 19th and the northbound outside lane on Thursday, June 20th. Both closures will occur between 9:00 a.m. and 3:00 p.m., weather permitting.

Traffic will be controlled using warning signs and barrels. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
