OVERHEAD SIGN INSTALLATION REQUIRES LANE CLOSURES ON INTERSTATE 430 IN LITTLE ROCK

LITTLE ROCK (6-21) – The installation of an overhead sign will require lane closures and temporary total closures on a portion of Interstate 430 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will perform the installation over the southbound lane of Interstate 430, just south of Breckenridge Drive. This will require a double lane closure and occasionally 15 minute complete closures. Northbound traffic will not be affected. The closures will begin Saturday, June 22nd at 11:00 pm and conclude by Sunday, June 23rd at 9:00 a.m., weather permitting.

Traffic will be controlled using warning signs and barrels. Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
