Construction Requires Continued Overnight Detours At “Big Rock” Interchange In Little Rock

LITTLE ROCK (6-21) – Construction will require continued overnight detours at the Interstate 430/630 (Big Rock) Interchange, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Workers are painting future flyover ramps. This will prevent access to the northeast and southeast loop ramps. Drivers traveling northbound on Interstate 430 wishing to travel west on Financial Centre Parkway or Chenal Parkway will need to take the Shackleford Road Exit, which is Exit 5.

Any drivers in the Financial Centre Parkway/Shackleford Road area wanting to go north on Interstate 430 will be detoured. Motorists will be directed south on Shackleford Road to Interstate 430 North, using Exit 5. **For more information, see the attached map of the detour area.**

The detours will be Sunday night, June 23rd through Friday morning, June 28th between 9:00 p.m. and 5:00 a.m., weather permitting. Again, the detours will only occur overnight. *It is possible this work will conclude earlier in the week. AHTD will provide an advisory when it's complete.*

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
