Overnight Detours Discontinued at “Big Rock” Interchange in Little Rock

LITTLE ROCK (6-25) – A portion of the bridge painting work has been completed early at the Interstate 430/630 (Big Rock) Interchange. This means that overnight detours will be discontinued, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Workers are painting future flyover ramps. The work had prevented access to the northeast and southeast loop ramps. Those closures had been scheduled through Thursday morning. However, the new phase of work will not affect traffic, nor require detours or lane closures.

Work is still being performed at the Interchange 24 hours a day. Motorists should exercise caution when approaching and traveling through this and all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
