BRIDGE INSPECTION REQUIRES LANE CLOSURE ON INTERSTATE 40 IN NORTH LITTLE ROCK

LITTLE ROCK (7-5) A routine bridge inspection will require a lane closure on Interstate 40 in North Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will be performed on the Levy overpass, just west of the Interstate 40/Interstate 30 Interchange. It will require the closure of the westbound outside lane on Monday, July 8th between 9:00 a.m. and 3:00 p.m., weather permitting.

Traffic will be controlled using cones and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
