IMPROVEMENTS TO INTERSTATE 430 REQUIRE LANE CLOSURES IN LITTLE ROCK

LITTLE ROCK (7-23) -- Improvements to Interstate 430 will require lane closures in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be patching bridge joints. The work will require rolling lane closures on Interstate 430 between the Interstate 430/30 interchange and just south of Colonel Glenn Road.

A small portion of the southbound outside lane will be closed on Wednesday, July 24th, between 9:00 a.m. and 12:00 p.m. The work will continue Thursday, July 25th. It will require the closure of the southbound and northbound inside lanes. All the work will be performed between 12:30 pm. and 3:00 p.m., weather permitting. Traffic will be controlled using cones and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
