## **CONSTRUCTION REQUIRES WEEKEND DETOUR AT “BIG ROCK” INTERCHANGE IN LITTLE ROCK**

**LITTLE ROCK (8-1)** – Construction will require a weekend detour at the Interstate 430/630 (Big Rock) Interchange, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Workers will be placing beams for a new bridge. This will require the closure of the southeast cloverleaf loop. Any drivers in the Financial Centre Parkway/Shackleford Road area wanting to go north on Interstate 430 will be detoured. Motorists will be directed south on Shackleford Road to Interstate 430 North. **For more information, see the attached map of the detour area.**

The detour will begin Saturday, August 3<sup>rd</sup> at 6:00 a.m. and continue until Monday, August 5<sup>th</sup> at 5:00 a.m., weather permitting. The contractor may suspend work Saturday night; so the southeast loop may re-open. Work will resume early Sunday and the ramp will be closed until the work is complete late Sunday or early Monday.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at [ArkansasHighways.com](http://ArkansasHighways.com). You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
