CONSTRUCTION REQUIRES TEMPORARY OVERNIGHT CLOSURES ON INTERSTATE 40 IN LONOKE

LITTLE ROCK (8-5) – Bridge construction will require temporary overnight eastbound closures on Interstate 40 in Lonoke, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Workers will install five steel beams for a new bridge. This will require occasional closures of all eastbound traffic at the Highway 89 overpass (mile marker 173) in Lonoke. The five closures will not last longer than 15 minutes, each.

The occasional overnight closures will begin Tuesday, August 6th at 11:00 p.m. and continue until Wednesday, August 7th at 5:00 a.m., weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at ArkansasHighways.com. You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
