### **IMPROVEMENTS TO ON RAMP REQUIRE LANE CLOSURE ON INTERSTATE 530 IN WHITE HALL**

**LITTLE ROCK (8-13)** – Improvements to an on ramp will require a lane closure on Interstate 530 in White Hall, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be making concrete repairs and improving drainage on the southbound on ramp at Exit 34 in White Hall. The on ramp will remain open. However, the work will require the southbound outside lane of Interstate 530 to be closed at the Exit 34 overpass. This will allow drivers entering Interstate 530 to accelerate to adequate speed, after clearing the construction area.

The closure will begin Thursday, August 15<sup>th</sup> at 7:00 a.m., weather permitting. The work is expected to be complete before the Labor Day weekend. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel related information can be found at [ArkansasHighways.com](http://ArkansasHighways.com). You can also follow us on Twitter [@AHTD](https://twitter.com/AHTD).
