IMPROVEMENTS TO HIGHWAY 67 REQUIRE SATURDAY DETOUR IN WHITE COUNTY

LITTLE ROCK (8-22) – Pavement repairs will require a detour for drivers northbound on U.S. Highway 67 in White County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work by Koss Construction Company will require all northbound vehicles to take Exit 51 at the Highway 157 (Sunny Dale Road) interchange. Drivers will then proceed east to Highway 367. Motorists will then be detoured north to Bald Knob where they can re-enter U.S. Highway 67.

The detour will be Saturday, August 24th between 6:00 a.m. and 11:00 a.m., weather permitting.

The detour is necessary because the work will be performed on a single travel lane within a construction zone. Crews are reconstructing 5 miles of U.S. Highway 67. The project will cost more than 19 million dollars and is currently estimated to be complete by the summer of 2014.

Traffic will be controlled using warning signs and barrels. Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on [@AHTD](https://twitter.com/AHTD).
