REPAIRS TO INTERSTATE 40 REQUIRE LANE CLOSURE IN NORTH LITTLE ROCK

LITTLE ROCK (8-23) – Pavement repairs will require an overnight lane closure on Interstate 40 in North Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will be performed on Interstate 40 at the Young Road Overpass, which is just east of Crystal Hill, at mile marker 149.

It will require the westbound inside and center lanes to be closed Sunday night, August 25th through Friday morning, August 30th between 8:00 p.m. and 5:00 a.m., weather permitting. Work on the westbound outside lane will follow at a later date.

Traffic will be controlled using warning signs and barrels. Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on [@AHTD](https://twitter.com/AHTD).
