BRIDGE REPAIRS REQUIRE CONTINUED LANE CLOSURE ON HIGHWAY 10 (CANTRELL ROAD) IN LITTLE ROCK

LITTLE ROCK (8-23) - Bridge deck repairs on Highway 10 (Cantrell Road) in Little Rock will require a continued lane closure next week, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will require the westbound outside lane of Cantrell Road to be closed on the railroad bridge (Lincoln Viaduct) located just west of Dillard's corporate headquarters in Little Rock.

The closures will be Monday, August 26th through Thursday, August 29th between 9:00 a.m. and 3:00 p.m. each day, weather permitting. Crews hope to wrap up the work by Thursday. AHTD will provide an advisory Friday, August 30th, if the work is extended.

Traffic will be controlled using cones and warning signs. Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
