IMPROVEMENTS REQUIRE LANE CLOSURE AT I-30/I-630 INTERCHANGE IN LITTLE ROCK

LITTLE ROCK (8-29) – Improvements require a lane closure at the I-30/I-630 interchange in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be working on a traffic camera. The area affected will be the ramp that extends from Interstate 30 eastbound to Interstate 630 westbound.

It will require closing the ramp's inside lane on Friday, August 30th between 900 a.m. and 12:00 p.m., weather permitting.

Traffic will be controlled using cones and warning signs. Drivers should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
