IMPROVEMENTS TO I-430 REQUIRE OVERNIGHT LANE CLOSURES IN LITTLE ROCK

LITTLE ROCK (9-3) – Improvements to Interstate 430 will require overnight northbound lane closures, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be making pavement repairs on Interstate 430. This will require northbound traffic to be reduced to one lane. Also, drivers exiting Interstate 630 eastbound to Interstate 430 northbound will have a shortened yield area.

The closures will be Wednesday night, September 4th through Friday morning, September 6th between 9:00 p.m. and 5:00 a.m. each day, weather permitting. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
