STREET IMPROVEMENTS IN DEWITT

LITTLE ROCK (9-6) – A project funded through the State Aid City Streets Program approved by lawmakers in 2011 and voters in 2012 is bringing street improvements to Dewitt, according to the Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will resurface .73 mile of Maxwell Avenue. The work will extend from North Jackson Street to just west of North Main Street and from North May Street to North Whitehead Drive.

The work is scheduled to begin Monday, September 9th. It will be performed between 7:30 a.m. and 5:00 p.m., weather permitting.

Pine Bluff Sand & Gravel Company of Pine Bluff was awarded the contract at \$147,810.77.

The State Aid City Streets program provides \$20 million annually from the state motor fuels tax to assist cities with projects selected by a nine-member panel of Arkansas mayors.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
