BRIDGE REPAIRS REQUIRE CONTINUED LANE CLOSURE ON HIGHWAY 10 (CANTRELL ROAD) IN LITTLE ROCK

LITTLE ROCK (9-6) - Bridge repairs on Highway 10 (Cantrell Road) in Little Rock will require a continued lane closure, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The work will require the westbound outside lane of Cantrell Road to be closed on the railroad bridge (Lincoln Viaduct) located just west of Dillard's corporate headquarters in Little Rock. The closures will be Monday, September 9th through Thursday, September 12th between 9:00 a.m. and 3:00 p.m. each day, weather permitting. Traffic will be controlled using cones and warning signs.

Crews have completed their work on the deck. Work is now taking place beneath the bridge deck. Right now, there is no estimate on when the work will be complete. AHTD will continue to provide updates on this bridge each Friday.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
