PAVEMENT WORK REQUIRES LANE CLOSURE ON HIGHWAY 270 IN HOT SPRINGS

LITTLE ROCK (9-11) – Pavement work requires a lane closure on Highway 270 (Albert Pike Road) in Hot Springs, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be sawing existing pavement to tie in an entrance to the new AHTD Garland County Headquarters. The work will require closing the westbound lane about a mile west of Crystal Hill Road.

The closure will be Thursday, September 12th between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using cones, warning signs and flaggers.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
