### **ROUTINE INSPECTION OF INTERSTATE 430 BRIDGE TO REQUIRE LANE CLOSURE**

LITTLE ROCK (9-23) -- Crews performing a routine inspection of the Interstate 430 Bridge over the Arkansas River between Little Rock and North Little Rock will require an alternating lane closure, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The inspection will require the outside lane to be closed alternating between the northbound and southbound lanes beginning Tuesday, September 24th and continuing through Thursday, September 26th. The lane closure will be in effect between the hours of 9:00 a.m. and 3:00 p.m. daily, weather permitting.

Motorists should exercise caution when approaching and traveling through all highway work zones.
