IMPROVEMENTS TO INTERSTATE 630 REQUIRE LANE CLOSURES IN LITTLE ROCK

LITTLE ROCK (9-27) – Improvements to Interstate 630 will require lane closures in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be restriping Interstate 630 westbound lanes between Barrow Road and Shackleford Road. This will reduce I-630 westbound traffic to one lane in that area.

The closures will occur Saturday, September 28th, between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
