Improvements to Interstate 30 Require Lane Closures in Little Rock

LITTLE ROCK (10-9) – Improvements to Interstate 30 will require overnight lane closures in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be resurfacing Interstate 30 westbound between 65th Street and just west of Geyer Springs Road in Little Rock. The work will reduce westbound traffic to 2 and occasionally 1 lane.

The closures will be Wednesday, October 9th through Saturday morning, October 12th between 7:00 p.m. and 7:00 a.m. each day, weather permitting. Traffic will be controlled using cones and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
