IMPROVEMENTS TO HIGHWAY 46 WILL REQUIRE LANE CLOSURES IN GRANT COUNTY

LITTLE ROCK (11-6) – Improvements to Highway 46 will require lane closures in Grant County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be paving a small section of Highway 46 (Sheridan Road), 1.4 miles west of Interstate 530 in Redfield. They are also elevating the driving and shoulder surface to reduce flooding concerns.

The work will reduce traffic to one lane on Friday, November 8th and Tuesday, November 12th. The traffic lane reductions will only occur between 8:00 a.m. and 3:00 p.m. each day, weather permitting. Traffic will be controlled using cones, flaggers, and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
