WORK REQUIRES PARTIAL CLOSURE OF ARCH STREET IN LITTLE ROCK

LITTLE ROCK (12-19) – Repair work will require the partial closure of Highway 367 (Arch Street) in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

A crew with 3M is requesting the closure. They will be repairing an overhead conveyor belt used to transport gravel at the Arch Street Pike Quarry. A photo of the conveyor system is attached. The work will require closing all lanes of Arch Street, north of West 65th Street. Signs will indicate the path of the detour.

The closures will be Saturday, December 21st and Sunday, December 22nd, between 7:00 a.m. and 7:00 p.m. Traffic will be controlled using barrels and warning/detour signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
