ARKANSAS HIGHWAY COMMISSION APPROVES BID FOR IMPROVEMENTS IN PERRY COUNTY

LITTLE ROCK (4-22) - The Arkansas State Highway Commission and County Judge Baylor House approved a bid for improvements to a roadway in Perry County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The purpose of the project is to resurface 0.6 mile of County Road 90 (Old Dixie Road). The work will extend from just south of County Road 225 to Pearlie Lane, just east of Bigelow.

Rogers Group, Inc. of Nashville, Tennessee was awarded the contract at \$138,358.85.

Construction is scheduled to begin in two to four weeks, weather permitting. The project should be complete this spring.

This county road project is funded through the State Aid Road Program established by the legislature and administered by the State Aid Division of the Arkansas State Highway and Transportation Department. This program provides approximately \$20 million annually from the state motor fuels tax to assist counties with projects of their choosing on the country road system.
