ARKANSAS HIGHWAY COMMISSION APPROVES BID FOR IMPROVEMENTS IN GRANT COUNTY

LITTLE ROCK (6-10) - The Arkansas State Highway Commission approved a bid for improvements to a roadway in Grant County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

The purpose of the project is to resurface 2.1 miles of Oak Street in Tull. The work will extend west from Pine Street to the Saline County line.

Redstone Construction Group, Inc. of Little Rock, Arkansas was awarded the contract at \$195,210.64.

This project is being funded through the State Aid City Streets Program approved by lawmakers in 2011 and voters in 2012. This program provides \$20 million annually from the state motor fuels tax to assist cities with projects selected by a nine-member panel of Arkansas mayors.

Construction is scheduled begin in two to four weeks, weather permitting. The project should be complete this summer.
