IMPROVEMENTS TO INTERSTATE 430/630 “BIG ROCK” INTERCHANGE REQUIRE LANE CLOSURES IN LITTLE ROCK

LITTLE ROCK (2-18) – Improvements to the Interstate 430/630 “Big Rock” Interchange will require temporary lane closures in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

To improve safety and visibility, crews will be re-striping the pavement throughout the “Big Rock” Interchange. The work will require short lane closures.

The closures will be Wednesday, February 19th, between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
