SIGN INSTALLATION REQUIRES OVERNIGHT LANE AND RAMP CLOSURES ON INTERSTATE 630 IN LITTLE ROCK

LITTLE ROCK (2-21) – The installation of an overhead sign will require overnight lane and ramp closures on Interstate 630 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will install a new sign on the Baptist Health overpass. This will reduce Interstate 630 westbound traffic to one lane and close the westbound I-630 entrance ramp. Drivers leaving Baptist Hospital who want to go west on Interstate 630 will be detoured to John Barrow Road to access westbound traffic.

The overnight closures will be Wednesday night, February 26th, through Friday morning, February 28th between 9:00 p.m. and 5:00 a.m., weather permitting. Traffic will be controlled using barrels and warning/detour signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
