IMPROVEMENTS ALONG INTERSTATE 530 REQUIRE INTERCHANGE RAMP CLOSURES IN PULASKI COUNTY

LITTLE ROCK (6-10) – Improvements along Interstate 530 northbound require interchange ramp closures in southern Pulaski County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will resurface the I-530 northbound interchange ramps at Exit 12 in Woodson. The work will require closing each ramp for approximately one hour as it's being resurfaced.

The work will take place Wednesday, June 11th between 7:00 a.m. and 12:00 noon., weather permitting. Traffic will be controlled using barrels and warning signs. The work had been scheduled for Monday, June 9th, but had to be postponed due to weather.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
