WORK AT I-430/630 (BIG ROCK) INTERCHANGE REQUIRES OVERNIGHT WESTBOUND LANE CLOSURE ON I-630 IN LITTLE ROCK

LITTLE ROCK (7-18) – Work on the I-430/630 (Big Rock) Interchange will require a lane closure on Interstate 630 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be placing concrete for an island between the retaining wall on the west side of the Shackleford Road Overpass and the Westbound lanes of Financial Center Parkway.

The work will require closing the I-630 westbound inside lane between the I-430 Southbound off ramp and Hardin/Hermitage Drive. The closure will be Monday night, July 21st, between 9:00 p.m. and 5:00 a.m., weather permitting. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
