DRAINAGE WORK REQUIRES LANE CLOSURE ON CANTRELL ROAD IN LITTLE ROCK

LITTLE ROCK (1-13) – Drainage work will require a lane closure on Highway 10 (Cantrell Road) in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be clearing debris from drains along Cantrell Hill. The work will require closing the eastbound outside lane beginning Monday, January 13th. The closure will only occur between 9:00 a.m. and 3:00 p.m., weather permitting.

This lane closure will likely be necessary for a couple of days. If a large amount of debris is discovered, the work could extend through the remainder of the week. Traffic will be controlled using cones and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
