IMPROVEMENTS TO INTERSTATE 430 REQUIRE LANE CLOSURES IN LITTLE ROCK & NORTH LITTLE ROCK

LITTLE ROCK (1-27) – Improvements to Interstate 430 will require moving lane closures in Little Rock and North Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be performing routine maintenance on the outside northbound and southbound lanes of Interstate 430. The work will be performed on the full length of Interstate 430, between I-40 in North Little Rock and I-30 in Little Rock. Therefore, these will be moving lane closures.

The northbound outside lane closures will be Wednesday, January 29th. The southbound outside lane closures will be Thursday, January 30th. Both closures will only occur between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using cones, warning signs, and escort vehicles.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
