SIGN REPLACEMENT REQUIRES OVERNIGHT LANE CLOSURES ON INTERSTATE 430 IN LITTLE ROCK

LITTLE ROCK (2-28) – Sign replacement will require overnight lane closures on Interstate 430 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be replacing a sign on the Shackelford Road overpass. The work will reduce Interstate 430 northbound traffic to one lane.

The closures will be Tuesday night, March 4th, through Wednesday morning, March 5th between 9:00 p.m. and 5:00 a.m., weather permitting. Traffic will be controlled using barrels and warning signs.

This work had been scheduled for February 25^h, but had to be postponed due to equipment problems.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
