CONSTRUCTION WORK REQUIRES WEEKEND LANE CLOSURES AND DETOUR AT I-430/630 INTERCHANGE IN LITTLE ROCK

LITTLE ROCK (3-26) – Construction work will require weekend lane closures and detours at the Interstate 430/630 “Big Rock” Interchange in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be installing steel beams on the new bridge over Shackleford Road. The following routes will be affected.

- **Financial Centre Parkway to I-630 eastbound** – Financial Centre Parkway traffic will be reduced to 1 lane and detoured to Hermitage Road. Drivers can turn left at Shackleford Road to access Interstate 630.
- **Shackleford Road northbound traffic** will be reduced to 1 lane and detoured to Interstate 630 eastbound and through the cloverleaf ramps to I-630 west and back to Shackleford Road northbound.
- **Shackleford Road southbound traffic to eastbound I-630** will be detoured to Markham Street and east to Barrow Road for access. All other southbound traffic will be reduced to 1 lane and detoured to westbound Financial Centre Parkway and back to Shackleford Road using Hermitage Road.
- **I-630 westbound to Financial Centre Parkway traffic** will be reduced to 1 lane, with no detour.

The lane closures and detours will begin Saturday night, March 29th at 9:00 p.m. They will continue until Monday morning, March 31st at 5:00 a.m., weather permitting. Traffic will be controlled using barrels, detour signs, message boards, and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
