BRIDGE INSPECTION REQUIRES LANE CLOSURE ON HIGHWAY 440 IN PULASKI COUNTY

LITTLE ROCK (3-31) – A routine bridge inspection will require lane closures on Highway 440 in Pulaski County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be inspecting a bridge located one mile north of Interstate 40. The work will require closing the Highway 440 northbound outside lane between mile markers 11 and 12.

The lane closures will be Wednesday, April 2nd and Thursday, April 3rd, between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
