BRIDGE INSPECTION REQUIRES LANE CLOSURE ON HIGHWAY 440 IN PULASKI COUNTY

LITTLE ROCK (4-4) – A routine bridge inspection will require a lane closure on Highway 440 in Pulaski County, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will inspect a bridge located over Ink Bayou. That's located 1.5 miles north of Interstate 40. The work will require closing the Highway 440 westbound outside lane between mile markers 12 and 13.

The lane closure will be Monday, April 7th, between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
