BRIDGE REPAIRS REQUIRE LANE CLOSURE ON U.S. HIGHWAY 67 IN JACKSONVILLE

LITTLE ROCK (4-4) – Bridge repairs will require lane closures on U.S. Highway 67 in Jacksonville, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be repairing the Redmond Road overpass in Jacksonville. The repairs are needed following a recent traffic accident. The work will require closing the southbound inside lane on U.S. Highway 67, between mile markers 11 and 8.

The lane closures will be Monday, April 7th through Thursday, April 10th, between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
