BRIDGE MAINTENANCE REQUIRES LANE CLOSURES ON INTERSTATE 630 IN LITTLE ROCK

LITTLE ROCK (5-2) – Bridge maintenance will require lane closures on Interstate 630 in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will perform maintenance on the Jonesboro Street and Fair Park Boulevard overpasses. The work will reduce westbound traffic on Interstate 630 to one lane. The inside and center lanes will be closed between mile markers 2 and 4.

The lane closures will be Sunday, May 4th between 8:00 a.m. and 4:00 p.m., weather permitting. Traffic will be controlled using barrels and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
