UTILITY WORK REQUIRES LANE CLOSURES ON HIGHWAY 338 IN LITTLE ROCK

LITTLE ROCK (5-2) – Utility work will require lane closures on Highway 338 (Baseline Road) in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Central Arkansas Water will perform utility work at the intersection of Baseline Road and Distribution Drive. The work will reduce westbound traffic on Baseline Road to one lane, the center lane, between Production Drive and Distribution Drive.

The lane closures will be Monday, May 5th through Wednesday, May 7th, between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using cones and warning signs.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
