BRIDGE INSPECTION REQUIRES LANE CLOSURES ON HIGHWAY 64 IN FORT SMITH

LITTLE ROCK (5-16) – A routine bridge inspection will require lane closures on Highway 64 (Garrison Avenue) in Fort Smith, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will be inspecting the Highway 64 (Garrison Avenue) bridge over the Arkansas River between Fort Smith and Oklahoma. The work will require closing the eastbound and westbound outside lanes on the bridge.

The westbound lane closure will be Monday, May 19th through Tuesday, May 20th. The eastbound lane closure will be Tuesday May 20th through Thursday, May 22nd. Both closures will only occur between 9:00 a.m. and 3:00 p.m., weather permitting. This inspection was scheduled earlier, but had to be delayed due to weather.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
