IMPROVEMENTS TO HIGHWAY 10 WILL REQUIRE LANE CLOSURES IN LITTLE ROCK

LITTLE ROCK (5-30) – Improvements to Highway 10 (Cantrell Road) will require lane closures in Little Rock, according to Arkansas State Highway and Transportation Department (AHTD) officials.

Crews will resurface the westbound lanes of Highway 10 (Cantrell Road). The work will extend one mile west from Allsopp Park Road to Jackson Street. The work will reduce westbound traffic to one lane. Eastbound work was performed last year.

The lane closures will be **Monday, June 2nd through Thursday, June 5th**. All work will be performed between 9:00 a.m. and 3:00 p.m., weather permitting. Traffic will be controlled using cones, and warning signs. This work had been scheduled for May 28th and May 29th, but had to be postponed due to weather.

Motorists should exercise caution when approaching and traveling through all highway work zones. Additional travel information can be found at IDriveArkansas.com or ArkansasHighways.com. You can also follow us on [Twitter @AHTD](https://twitter.com/AHTD).
